Fructose - 8.0%
Maltose - 4.0%
Sucrose - 10.0%
Inert: Distilled Water & Proprietary - 63.0%

Net Contents

2x2.5 Gal 55 Gal 275 Gal

Net Weight: 10 lbs per gallon

Directions for use:

- Apply 2 oz in-furrow with biologicals. Preferably BioGold or BioRed
- Apply 2 - 4 oz foliar.

Storage: Store product in location 450 F or above. Shelf life is two (2) years.

Note: Can be tank mixed with biologicals, fertilizers, micronutrient packages, and herbicides. If there is a question then it is best to perform a jar test for compatibility.

Warning: Do not apply more than 8 oz per acre per growing season. If over applied, seed and plant development can be stunted or stopped.

Conditions of Sale: The information contained on this label is believed to be accurate and reliable. Buyer and user acknowledge and assume all liability resulting from the use of this material. Follow directions carefully. Timing, method of application, weather, crop conditions and other factors are beyond the control of the seller.

Warning: KEEP OUT OF REACH OF CHILDREN. Wear proper protective clothing when handling.
